DIRECTOR'S INFO: Attendance is appreciated. Excited about the size of booster meeting.

Weather is difficult. Heat and storms. Rehearsal from last Thursday was first full outdoor rehearsal.

Scrimmage was valuable and worth the effort. Pre-season activities around the game taught the kids a lot. Concessions went well.

Concert band is going well. No marching during concert band.

Wind ensemble is consistent from last year. Many returning kids.

Fund raisers – Text-to-raise starting next week. Look for people to support: family, friends.
Reaching outside of the local community. Reach out on 12-hour day instead of during class day.

Goal is to do two fundraisers per year. Fewer small fundraisers.

Result is to keep fees static through fundraising.

Shoes and uniforms, needed now.
