Where do we find the music?

Students will get music and rehearse with the high school students at 5:30pm. There is music also available by clicking on the “music” button on our website, www.eastbands.com/future-members.

Why isn't there percussion music available online?

Most of our percussion music are grooves taught in the rehearsal - meaning there isn't really music. You will be taught the music when you arrive.

Where do we find oboe/bassoon music?

We do not use oboes and bassoons for marching band. Most double-reeds switch to another instrument for marching band season. You can also try out another wind instrument. Either way you should come to 8th grade night. We will find something for you to play!

What does the color guard do?

The color guard members dance and perform pom routines in the stands during the football game. We will teach you these routines when you arrive and throughout the game.

Does EPHS march trombones?

EPHS does not use trombones in marching band. All of our high school trombone players just switch to school-owned baritones during the fall for football games. Don't worry, your trombone is totally fine for 8th grade night and you will still play it every day in concert band once you get to high school.

Will my child have the opportunity to visit the concession stand?

They will be able to visit our concession stand during the 3rd quarter to get their FREE meal.

Does my child need money?

They should not need to bring money but it never hurts to send them with a few dollars just in case.
