EASTBANDS

Developing Lifelong Excellence in Young People Through a Variety of Music Education Experiences.

Directors:

On behalf of East Paulding High School, I would like to welcome you to our campus for Friday night's football game. Included is information that may help you as you plan your evening. Please do not hesitate to call or email me with any questions you may have.

CONTACTS

Josh Robichaux - Band Director jrobichaux@paulding.k12.ga.us
Dawson Burnes - Associate Director dawsona.burnes34@paulding.k12.ga.us

PARKING

East Paulding High School: 3320 East Paulding Drive, Dallas, GA 30157

Immediately after turning into the school (within 10 yards), you will take a left and drive through that gate right there. There will be adults directing you where to park. (see map on the last page)

SEATING

Your band should sit on the AWAY side of the field in the section to the far RIGHT (when facing the AWAY stands). This section is the furthest away from the EPHS Band. Front ensemble equipment should be pushed to your warm-up area along the track. (See attached map)

ATTIRE

Regardless of weather, time of year, etc. our band is always in full uniform. Our color guard may opt to put on wind suits over their costume, should it get cold.

PREGAME

Please be aware that the National Anthem is performed at 7:10 pm.

WARM-UP

Your band should warm up inside the fence, behind the end zone nearest to the scoreboard where your buses will park. There is ample room for your winds, percussion, and guard to warm up there.

EASTBANDS

Developing Lifelong Excellence in Young People Through a Variety of Music Education Experiences.

HALFTIME

Should you choose to perform your band will perform FIRST, please let me know if you do not plan to perform. You may perform to either the HOME or AWAY side. We do not consider it an issue at all should you choose to perform to your fans instead of ours, there is however no power on the back sideline. Please plan on taking the field immediately when the game clock arrives at 0:00 as to maximize your performance time. As indicated in the football handbook for the GHSA, both bands are allotted 10 minutes of total performance time. This includes entrance, set-up, breakdown, and exit time. Your band should be completely done performing and off the field/front ensemble area before the halftime clock passes the 10:00 mark. Please exit the front ensemble area with your equipment back towards your warm-up area. Thank you in advance for your compliance in these matters.

MUSIC DURING FOOTBALL GAME

Play as often as you see fit. We do not consider it an issue for you to play while we play. We play on 1st through 4th downs on defense, the school runs commercials on 2nd and 4th downs as well as during time outs.

CONCESSIONS

Concessions are available on the away side of the stadium nearest the baseball fieldhouse and bus parking. Please use the away concessions instead of trying to get to the home side of the stadium.

THIRD QUARTER

The EPHS Band does not give its students 3rd quarter off. Your band may take 3rd quarter off as you see fit.

POST GAME

Your band should exit the field area/campus utilizing the same path/road that you took to enter the stadium.

Once again, we greatly look forward to having you as our honored guest at East Paulding High School. Please do not hesitate to contact us with any questions you may have. See you Friday!

Sincerely,

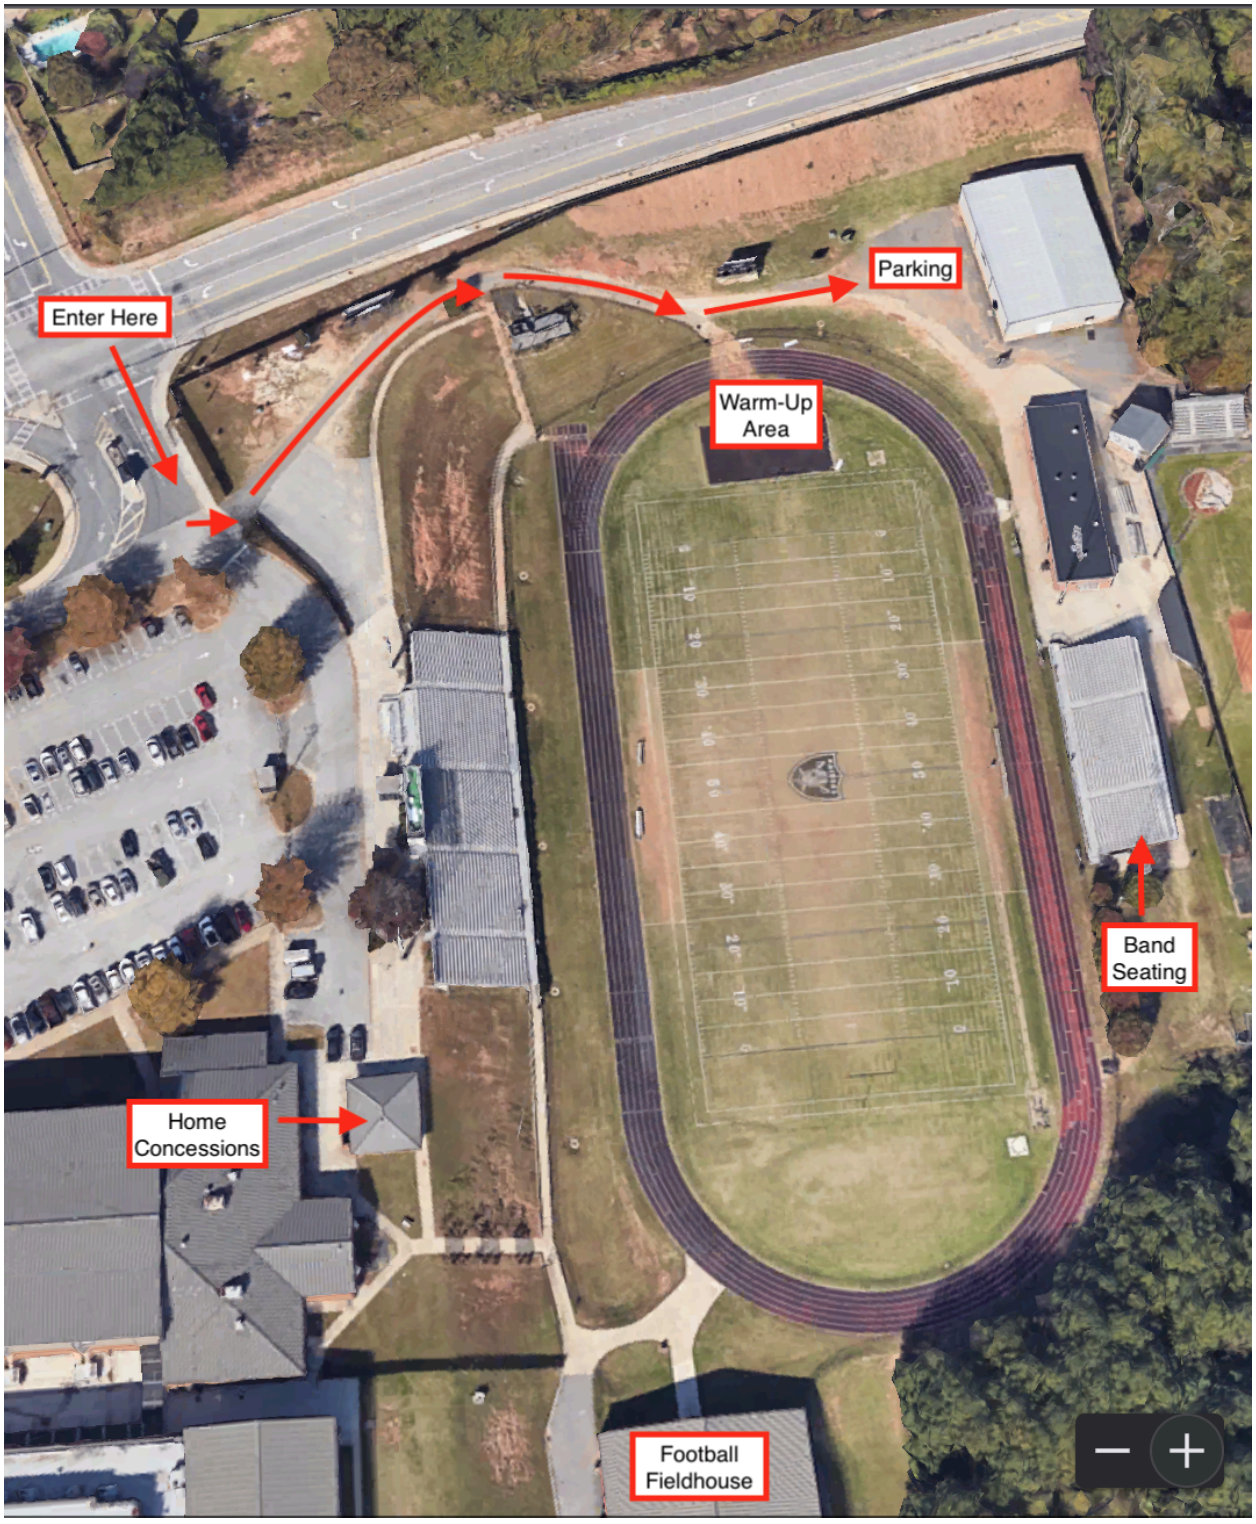

Josh Robichaux
Director of Bands
